ಕಾಲೇಜುಗಳ ಮೇಲೆ ಒತ್ತಡ ತರುವುದು ಬೇಡ. ಮತ್ತೆ ಈ ಪದವಿ ಕಾಲೇಜುಗಳಿಂದ ಬೈಫರ್‌ಕೇಟ್ ಮಾಡಿ ಈ ಕಿರಿಯ ಕಾಲೇಜುಗಳಲ್ಲಿ ಸೀಟ್‌ಗಳ ಸಂಖ್ಯೆಯನ್ನು ಇನ್‌ಕ್ರೀಜ್ ಮಾಡುವುದು ಒಳ್ಳೆಯದು.

SRI G.B. SHANKAR RAO.—It is not correct Sir. According to the policy of the Government, the II Year Pre-University Course should be a terminal course. There are boys studying in Composite Degree Colleges also. The policy of the Government is not to encourage I-Grade colleges. If club them together, then unnecessarily boys will have practical difficulty to go to degree courses. There are a number of unemployed graduates but not technical graduates. That is why, it is not correct to encourage these Pre-University Courses to remain with the Degree Colleges. One day or the other they have to be separated.

Fixing of boundary Stones

181 SRI V.V. PATTAR (Jamakhandi).—Will the Min ster for Revenue be pleased to state.—

(a) whether it is a fact that the Assistant Directors of Land Records are entrusted with the work of fixing the boundary stones under law;

(b) whether the Government has transferred the said work to the Tahsildars and if so the reasons for the same ?

SRI MALLIKARJUNA M. KHARGE (Minister for Revenue).—

(a) No.

(b) Yes. This step was taken in order to clear accumulation of a large number of hudbust cases expeditiously.

SRI V.V. PATTAR.—Previous to the present system we have, it was the duty of the Assistant Director of Land Records to measure and also to fix the stones. Now recently this has been shifted to Tahsildar. I draw the attention of the hon. Minister to Section 140, Clause B. Under the law the duties are entrusted to the Assistant Director of Land Records. This change has caused a dual duty—survey is done by Assistant Director of Land Records whereas fixing of stone is done by the Tahsildar. This has caused a delay in fixation of the boundaries. Therefore, I am asking through you, Sir, whether the Government are going to rectify this ?
